LEADER INSTRUCTIONS

No Listen up me hearties.....

Each Joey Mob Must nominate a Leader in Charge for that Mob for Joey Fun Day. If your Mob does not have a leader attending, speak to your District Leader to select someone else. That Leader in Charge must be added to your E1 Form BEFORE circulation. Every Joey should have the chance to attend regardless of the JSL attending. I expect to see registrations from EVERY Joey Mob.

Online Registration. "ScoutEvent"

<https://events.greaterwestscouts.com.au/event/40>

This site is for JSL's to Register Only, we are NOT doing online E1's

Each Joey Mob are responsible for collecting and keeping the E1 Forms. Your nominated Contact Person MUST have them with them on the day. If there is a First Aid incident, the First Aid Team will seek you out to collect it.

Joey Pouches

We like to split up and spread out the mobs, Caring & Sharing! BUT we need to know which Joeys need to be together and which ones should not be together.

Please nominate a Pouch for each of your Joeys. We must have a minimum of 2 in a pouch. You may choose how many pouches you use, 2,3,4 or even 5.

We will have 120+ Joeys to share around, if you do not choose, we will not have time to check back and forth, so we will just split them ourselves. Please don't be upset by the outcome.

Workers/Volunteers

Everybody has a role to play. Please indicate the preference, We can't all be the Pirate King! We can't all be base workers either. We will try to accommodate your preferences, but all Roles need to be filled. Workers/Volunteers are Free, but if they fail to attend there will be \$5 fee charged. Please DO NOT Register people for "just in case" reasons, their allocated roles/jobs must be done.

Special Needs Carers

If an adult is required to be with a specific joey for special reasons, PLEASE add that to the comments in your online registration/application. This is permitted when it is really required.

Please note that Relay for Life is occurring this same weekend.

NAME TAGS

Please create a Name Tag for your Joeys and include a space for a colour sticker.
