- Where?** Canobolas Scout Camp, Lake Canobolas Rd, Nashdale
- Who?** All Leaders/Adults involved in Scouting who are willing to be challenged by Venturers participating in initiative and fun bases. (4-7 in a team)
- Cost?** \$15
- Bring?** Participants should come fully self-sufficient for the weekend – tents, food, cooking gear and water. Participants need only carry a daypack each day, with camping gear to be kept at base camp. Leaders and Venturers camp in different areas, so organise accordingly.

**This year, as a service exercise, all Teams are asked if they could bring along a Little Golden Book (or any child’s book) to be donated to a book charity. Competition time – Prize to the Team who donates the most books!!**

Each base that the Leader teams visit will present a scenario to deal with. Like Dragon Skin, teams will be marked on how well they deal with each situation. Teamwork and initiative will be important, as is having fun and creativity!

Also like Dragon Skin, Rat Skin has a theme, and all participants are encouraged to dress and camp accordingly. This year’s theme is
